

Autumn Newsletter

Vol 3 Field 2014

Highlights!

Thanks to all the families who attended our Showcase Night! We premiered our movie: "I told you not to go into the Graveyard!" - a sequel to our last zombie movie! As well as displayed our projects made in our Clubs throughout the past 8 weeks: Designing Super Structures, Around the World in 80 Days and Fall Gardening.

In our Community Service Club (Fall Gardens), the group made a series of Fairy Houses which we delivered to St. Joe's Home for Children during our time at Minneapolis Kids. The girls got a tour of the warehouse and learned about life at St. Joe's. The coordinator was very appreciative of our donation and said they'd use them as examples for a future activity in which the kids can create their own fairy houses to brighten up their rooms!

PARENT ADVISORY COUNCIL

We are in need of a Parent Advisory Rep for Field Mpls Kids.

Reps meet once every two months at the MPS District Headquarters and discuss items such as programming, budget and the vision of Mpls Kids. Child Care & Dinner Served.

Please let us know if you are interested!
