Field 2017

DECEMBER HIGHLIGHT: “GIVING BACK EVENT!”

The day before Winter Break, the students at Field Mpls Kids held a Giving Back Event in which groups designed activities to lead, create items to sell and choose charities which to donate.

Some examples include: Making Giant Candy Decorations for St. Joe’s Orphanage, A Hot Cocoa Stand to raise money for Doctors Without Borders, Door Wreathes for Sunrise Senior Citizen’s Home, Boo Boo Bunnies to donate to the Children’s Hospital and more!

Kids, teachers and parents all worked together to create amazing items to be donated!

One special occurrence that happened during this event that really emphasized generosity was when our Mpls Kids students each wanted a cup of hot cocoa, but were unable to afford the 50 cents per cup that was required for donation.

Two of the staff, Ms. Rhonda and Ms. Alycia pooled their own money and purchased a round of hot cocoas for all 40 of the Mpls Kids students!

A special thank you to all the kids, teachers and families who helped make our Giving Back Event a success!
