News You Can Use

Hi Loring Families,

As the school year comes to an end we reflect on all that has happened this school year, getting to know our new families, watching our kids grow and some leaving us for middle school. It has been great. We will continue to follow best practices through the MAAP Accreditation process and bring new and exciting curriculum ideas to the program. We look forward to seeing you back next year. We welcome any comments, suggestions or ideas for the next year.

We are still registering for the 2019-20 school year. If you have a kindergartener entering school they can also be registered at this time. This would also be a good time to update contact information you have on file so we have the most current emergency contacts, phone numbers and emails on the sign-in iPads.

The construction will be in full swing this summer. I'm not sure how much will be finished by the beginning of the school year, but our location may change to what is now the staff lounge. I will keep families updated as I get more information.

Around the Town

The first week of May : Wheels of Fun, bike rentals, water craft rentals. Check with Parks and Recreation for more information and locations

What's going on

Spring Break

We had a little bit of a rocky start combining Marcy with Webster (technical difficulties), but after that it was all fun. All the field trips were great and the presentation by Camp Fire Minnesota was very interesting and fun.

Kids Welcome:

Before School 6:30-8:25am
After School 3:00—6:00 pm
