## News You Can Use

Hi Bryn Mawr families,

As the school year comes to an end we reflect on all that has happened this school year, getting to know our new families, watching our kids grow and some leaving us for middle school. It has been great. We will continue to follow best practices through the MAAP Accreditation process and bring new and exciting curriculum ideas to the program. We look forward to seeing you back next year. We welcome any comments, suggestions or ideas for the next year.

We are still registering for the 2019-20 school year. If you have a kindergartener entering school they can also register at this time. This would also be a good time to update contact information you have on file so we have the most current emergency contacts, phone numbers and emails on the sign in iPads.

## Around the Town

## What's going on

### Spring Break

We had a little bit of a rocky start combining Marcy with Webster (technical difficulties) , but after that it was all fun . All the field trips were great and the presentation by Camp Fire Minnesota was very interesting and fun.
