Emergency Planning & Drills

Throughout the year we will conduct safety drills during our before and after school components. These include fire, tornado, Code Yellow, and Code Red drills. Though children will not know the exact time these drills will take place, we will talk over the procedures and expectations for each type of drill beforehand as well as discuss why it is important to practice these. If you have any questions or concerns about these drills please let me know.

Things you should know about emergency drills or real emergency events afterschool:

- If you arrive during a drill or emergency event, please do not take your child with you. Join your child's group and stay with your child until the drill is over, or until the site coordinator gives the okay for children to leave. This is to ensure that we have an accurate count. The staff will be very focused during a drill or emergency event, and may not be able to keep track if parents are taking children at this time.
- In the event of a real emergency event a call from the MPLS Schools will be sent out to the phone

numbers you have on file with the MPLS Kids main office to alert you of the event and inform you of how to reunite with your child. Please follow these instructions carefully to ensure the safety of all involved in the event. Please do not call the school in the event of an emergency. We will be very busy and unnecessary calls may compromise the safety of the situation.

- Signing In, in the morning & Out in the afternoon is a key safety measure we use at MPLS Kids. Please be sure to do this every time you pick-up or drop of your child.

Staffing Changes Coming!

Hopefully everyone has gotten a chance to meet and introduce themselves to Laura. She is shadowing me and training to be a site coordinator and will be taking my place while I go on maternity leave starting Monday, December, 5th. Starting now all correspondence via email to the site should be sent to both Laura and myself. I will be sending you an email soon with her contact info so you will have it. After December 5th, please direct all emails to Laura only.
