## Thank you for being a part of MPLS Kids

The end of the school year is almost here so we want to take this time to say THANK YOU to each of our students who participated in Minneapolis Kids and made our days full of fun and learning. Thanks to all the parents for being present and for participating in our events. This summer we hope you have time to rest, time to enjoy family and we hope you come and see us at Kenny for some days of fun!

## Kids favorites

Our students had the opportunity to vote for their favorite moments or activities of the year and the results were:

1st place: Being with friends

2nd place: Playing outside

3rd place: Craft Activities.

Making new friends and being able to play with them is a big part of Minneapolis Kids. We want our students to learn and we also want our kids to be kids!

## THANK YOU!

The biggest thank you goes to Ana, Brenda, Bridget and Karen. Minneapolis Kids Windom is awesome because we have them with us.

They care for our students, they teach them new skills and they are always willing to have a conversation and play
