

NORTHROP MPLS. KIDS NEWS

April 2017

READ ALL ABOUT IT !

Spring has sprung!

Let's hope the warm weather kicks it up a notch so it truly does feel like spring.

Spring break is the first week of April. If you have not signed up yet you'll have to contact the main office, 612-668-3890.

Spring Break is also the last of the non-school days this year, so we know the year is coming to an end.

Welcome to our new after school staff!

Mary and Holly.

Ms. Mary is a retired special education assistant. She loves children and is excited to be with us.

Ms. Holly is currently a special education assistant with elementary age children. She also loves children and is excited to be with us.

Ms. Kim is missing all of us and will hopefully be back soon.

Outside play is always a challenge this time of year. Please dress your child accordingly. The playground can get very muddy with wet weather.

Send boots for those muddy days.

SPRING BREAK at Northrop

March 31—Science Museum/Omni
10:30—3:00

April 3—On Site Visit from
"Bruce the Bug Guy"

April 4—Shoreview Pool
