That's Community Ed!

Minneapolis Kids has transitioned over to a new all encompassing registration, billing, sign in/out, etc. system called That's Community Ed! You have probably already used this system to enroll for Non School Days. If you haven't had a chance, please login to set up your profile. When you do this, be sure to update all of the people authorized to pick up

your child (located under: manage authorized pickups). The system is new to us, too, but we are here to help with any questions that may come up.

We are going to begin transitioning to the use of iPADS for our sign in and out system. Please be patient with us as we all adjust to this new way of doing things!

Bundled up for fun at Sever's

Pumpkin Catapults

Corn Pit!

Non School Days (Release Days)

Non school or Release Days are days where school is closed and Minneapolis Kids provides care from 6:30AM-6:00PM. Cost is \$41.40 per child per day.

Please be sure to send a lunch with your child. Additionally, make sure they have appropriate gear for going outside. Minneapolis Kids will provide snack. There is no additional cost for any field trips.

The release day calendar up through winter break is now available on our website as well as in the monthly email you receive from Beth.

Interested in registering? Enter the below into your web browser:
