## With November here, snow is surely to follow!

Dear Families,

November is here and though we have enjoyed some unseasonably warm weather, cool weather will be here soon! We try to go outside everyday for at least a half and hour so please be sure to monitor the temp as it relates to weather appropriate dress.

### Parent Board:

We have some fun activities and field trips planned for this Month! All important information will be posted on the Parent Board located at doorway to our room (room 207). Please check this board from time to time to keep up with current events!

### Hours of Operation:

Lyndale is open before school 6:30am to 8:30am and after school 3:00pm to 6:00pm (Reminder: late pick ups will result in a \$1 dollar per minute late fee).

## Just a quick note.....

**Note:** We are located on the 2nd floor room 207. If you have any questions or concerns please don't hesitate to contact me by email or phone at: jonathan.doten@mpls.k12.mn.us or (612)668-4004.

### November Release Day:

Wed. November 26th is our only release day for the month. We will stay onsite with some fun activities planned. Reminder: All release days will be located at Lyndale and a lunch from home is required.

### Release Day Reminder:

**Pre-registration is required! Unfortunately we cannot accommodate same day drop-offs. Please register if care is needed for our upcoming November release days by Wed Nov. 19th. Contact main office to register (612) 668-3890**

### Absent Child Reminder:

**Please Remember** to either email me or call the site phone at 612-668-4004 and leave a message if your child will not be attending Mpls Kids on their scheduled day. This lets us know not to expect them.

**Lyndale Mpls Kids Goals!** Every child brings a unique personality that helps build diversity! We strive to provide a fun, safe, and rich environment for children to explore interests, learn new skills, and make new friends!

## Lyndale Highlights

Seeing a rare Solar Eclipse!

Last Month the kids got the opportunity to make a simple instrument using paper which allowed them to "see" the partial solar eclipse on Oct. 23rd!

### Kids Welcome:

Before School 6:30-8:40  
After School 3:00-6:00
