1200 WEST 26TH STREET MPLS 55405 HTTP://MPLSKIDS.MPLS.K12.MN.US

Greetings everyone! The school year is off to a great start! Thank you all for remembering to fill us in when your child is going to absent, has an afterschool activity or when your child has an illness. It saves us a lot of time and worry. Phone calls and emails are the easiest way to reach us. Our contact information is on the bottom left of this page.

Our MEA release days were a whole lot of fun! Here are a few of the pictures from our “Uncle Oddball” scavenger hunt and trip to the corn maze.

The next release day is Nov. 26. We are going to Grand Slam in Burnsville for unlimited laser tag, mini golf, crazy kars, batting cages, 4 arcade tokens, and a hotdog & soda.

Children may bring \$5 to buy extra tokens or a snack. They may also bring their lunch if they don’t like hotdogs or feel they need more to eat. All children **MUST** be registered with our main office to attend, 66803890. **TSRA**

We are closed on November 27 & 28 in observation of Thanksgiving. Parent Advisory Board

We are still looking for a parent to be on our board representing the Lake Harriet location. Please let Jenn or Karen know if you are interested. The board consists of management, site coordinators, and parents. Our purpose is to discuss ways of continually developing and improving the Mpls Kids program. There are about 4 meetings a year where dinner is served from 5:30-6, the meeting goes until 7:30. Child care is free.

Thank you! Your input in our program is very appreciated and valued!

Accreditation Corner

Thank you to everyone who came to the orientation/accreditation/kidsdance extravaganza on Oct. 22! It was nice to see everyone and have the chance to answer any questions about the accreditation process. We are currently working on finalizing the members of our stakeholder team, a huge thanks to Anne Theilen for volunteering her time to us! If anyone else is interested please talk to Jenn or Karen. Otherwise, be on the lookout, we will be sending parent surveys out soon to those of you that haven’t filled one out yet. Don’t worry, they are fairly painless:)

-Please remember to send warm clothing with your child every day! We go outside to play unless the weather is dangerously cold (below 0), raining, or dangerously hot (above 95).

-The cold and flu season is at our heels! Our policy for sick children the same as the districts.

Kids Welcome:

Before School 6:30-9:30
After School Late 4-6:00

Happy Thanksgiving!
