### Understanding Autism – Visual tools and strategies

Tuesday March 22<sup>nd</sup>: 10:00-12:30 @ Davis Center room N1-051

Please join us in continuing our discussion on how visual tools & strategies support individuals with autism and executive function disorders. We will look specifically at tools that support organization, communication and self-regulation. This unique opportunity includes time to make and take scheduling tools, social stories & scripts, rating scales and boundary programs. If possible, please bring topics, photos, and case studies to support this creation time.  
\*\* If you did not attend Jody's first session, do not hesitate to come to this session, as great information will be given!

If you are interested in this opportunity, please [click here](#) to register.

### Transition Games

Wednesday April 13<sup>th</sup>: 6:30-8:30 @ David Center N1-051

Transitioning kids between activities can be **Chaotic** and **Stressful** OR it can be **Fun** and **Engaging**... Join us for an evening of learning new tricks, revisiting old techniques, and sharing ideas to ensure that your daily transitions run as smoothly as possible.

If you are interested in this opportunity, please [click here](#) to register.

### Earth Day Extravaganza

Tuesday April 19<sup>th</sup>: 10:00-12:00 @ Dowling

This opportunity will provide project ideas relating to Earth Day and other environmental education activities. If you are interested in this opportunity, please [click here](#) to register.

### Fun Outdoor Activities

Thursday May 12<sup>th</sup>: 6:30-8:30 @ Burroughs

In this training, we are going to learn some new activities for outdoor play, including group games, and extensions on basic ideas to engage children more.

If you are interested in this opportunity, please [click here](#) to register.
