### Our Mission

The program mission is to provide high quality school-age care for families. We offer a safe, nurturing, educational and recreational experience where children are encouraged to pursue interests, develop friendships, independence, and confidence.

### The Basics

- For Pick-up and Drop-off you can park in the parking lot and buzz in at Door #3. If we are on the playground you will need to walk around the building and pick your child up there.
- Sign your child in & out each day at the Parent Information Station located right inside our room door. Our staff will greet each families at the beginning and end of the day, but if we are actively supervising other children please be sure to make contact with a us. We want to be sure to see every child as they enter or leave the program.
- Our program is choice based. Your child will have the opportunity for art, imaginative play, reading, large muscle movement and special enrichment activities. We know everyone's schedule is different but if your child likes to participate in the enrichment activities please note that these start at 8:00 and end promptly at 9:00. Speaking of Enrichment...

### Enrichment

You can see on the daily schedule that your child will have the opportunity to participate in a special activity when they are at Minneapolis Kids. These Enrichment activities will include arts, crafts, cooking, physical activity, math, science, engineering and more!!! As the year goes on children will get chances to plan and lead some of these activities!

### Monthly News

You will receive email correspondence filling you in on the happenings of the month. This will include daily activities, monthly themes, special projects, social skills we are focusing on and upcoming non -school day information. This Information will also be posted on the parent board directly above the sign in/out station.

### Parent Involvement

We strive to provide opportunities for parents to be involved in the program. We would love to have parents share their talents and interests. Of course, if you ever have a suggestion for the program feel free to email or call me any time!

## Homework Time

Homework can be done before and afterschool during quiet reading time. There will be staff available to help children that need assistance.

## Tracking System

When you enter the hallway you will see our tacking system on the cork board. Each child has a space on our pocket chart and a magnet. They must put their magnet on a cookie sheet that corresponds to the room they want to go to. They must bring their name magnet with them to place on the cookie sheet in that room. When they leave they need to return their magnet to the pocket chart.

## Non-School Days, Winter Break, Spring Break & Summer

Minneapolis Kids is open and provides care on non-school days at designated locations. Parents must register in advance. Pratt is partnered with Dowling so we will be combined with them at the Dowling site. Enrollment for non-school day care during the first half of the 2016-17 school year is now open at
