March 2017

Classroom Highlights

Morning

Children have been enjoying the gym in the mornings. We are able to be in there until 7:50 on M, W, F and until 8:20 on T and Th. They have been adding mileage to their 100 Mile Club goal and also having free play.

We go outside every day it is not below zero so please have your child dress for the weather.

We are including programming that goes along with the kids' interest areas. If your

child has a desire to learn something they haven't mentioned to us, please be sure to let us know.

Afternoon

Our spring play Cinderella is starting to take shape. We are practicing on stage now, and kids should plan on being off script by mid month.

We will not be making costumes at school, so let me know if you need help putting together a costume

for your child. Also, let us know if your child needs a script for home.

Please have your child **stay** for the **entire practice** on Tuesdays & Thursdays. We will be in the Gym until 5:45.

Their success depends upon these March/April practices. Thank you!

STEAM

We have been offering a variety of STEAM activities. STEAM stands for science, technology, engineering, art, and math. The light up Legos were very popular, and both boys and girls were very creative and designed some amazing structures. Another activity that is popular is group building at the Lego table. Every day the kids expand or change what they make. I am always impressed with the

cooperation and communication that goes along with the creation of these fantastic Lego worlds.

We have been creating set pieces for our Cinderella play. The fireplace and backdrops are delightful! Pratt MPLS kids have worked hard and have been rewarded for their effort. I can hardly wait to see what they come up with for the carriage.

Spring Break

Spring Break is March 31st through April 9th. We will again combine with **Dowling**.

Our tentative schedule is:

Friday, March 31 on site at Dowling for a “Super Science” theme.

Monday, April 3 Walk to River-view theater and service learning day. We will be making pet toys etc. for the AHS. *

Tuesday, April 4 Field Trip to the Roller Garden

Wednesday, April 5 Fieldtrip to Shoreview Tropics indoor water park.

Thursday, April 6 Field trip to MOA *

Friday, April 7 on site talent show.

We will be playing outside every day so please dress your child for outside play or send clothes with them.

You will need to send a non- refrigerated lunch from home. An afternoon snack will be provided.

**This is a change from the schedule posted on line in the fall.*
