Classroom Highlights

Morning

We are enjoying spring, and the science of the season. Water, mud, growth, warmth, and new life are being celebrated in the classroom. Nature and its interesting characteristics are being explored with delight. We completed the book *The Reluctant Dragon* By Kenneth Grahame. Hex Bugs, Laser Pegs, and Light up Legos have been popular, as well as various engineering challenges.

Afternoon Cinderella

We are excited about performing for the community. The children have been working hard on sets, costumes, voice projection, and remembering what to say. Thank you parents for helping with lines, costumes and attendance!

Please have your child attend all dress rehearsals. We will practice up until 6:00.

Thanks!

We will have a cast party in May to celebrate the children's awesome accomplishment.

More information coming soon!.
