

# Pratt April News 2015

## Classroom Highlights

### Morning

We are enjoying spring, and the science of the season. Water, mud, growth, warmth, and new life are being celebrated in the classroom. Nature and its interesting characteristics are being explored with delight.

### Afternoon

#### The Lion King

We are excited about performing for the community. The children have been working hard on sets, costumes, voice projection, and remembering what to say. Thank you parents for helping with lines,

costumes and attendance!
