Classroom Highlights

Morning

Children have been enjoying the gym in the mornings. We are able to be in there until 7:50 M,W,F, and until 8:20 ,T and Th. They have been adding mileage to their 100 Mile club goal and also having free play. We go out side every day it is not below zero so please have your child dress for it. We are including programming that goes along with the kids interest areas, so if your child has a desire to learn something they

haven't mentioned to us be sure to let us know.

Afternoon

Our spring play The Lion King is starting to take shape. We are practicing on stage now, and kids should plan on being off script by mid month. We will not be making costumes at school, so let me know if you are having trouble putting together a costume for your child. I have

also made CD's of the music so kids can practice the songs since they will be singing them during the show. If your child needs a script for home let us know.

Please have your child **stay** for the **entire practice** on Tuesdays and Thursdays. We will be in the Gym until 5:45 and their success depends these March/April practices.
