Staffing Updates

We would like to say farewell to Elise. She has decided to take a job that more aligns with her degree.

We are saddened by this news, but happy that she will be pursuing her dream job.

Accreditation Update

Thank you to those that have filled out the family survey, if you haven't filled one out, please see a staff member.

The next step will be creating an action from the feedback we received from the surveys and the observations that the stakeholder team will do.

We will work on the action plan to ensure we are meeting all the accreditation standards by our spring visit.

Weather Closing

Minneapolis Kids is closed when Mpls Public Schools are closed due to inclement weather. The district considers closing school when wind chill is —35 or colder at 6:30 am, more than 6 inches of snow falls in 12 hours, or more than 8 inches of snow falls in 24 hours. They will try to tell families by 6 pm the day before the cancellation or by 5:30 am the day of the cancellation.

They use many methods to convey the info: phone call, text, website, Facebook, twitter, radio, TV.

January After School Curriculum

This month we will be exploring different countries including Denmark, Kenya, South Africa and Laos.

We have many activities planned like Rain Sticks, Masks, Tiny Hats, Djembe Drums, Laos Clay Head and Necklaces.

If you have experiences that you would like to share, please let us know.
