

Minneapolis Kids Monthly at Ramsey

November 2015

Notable November News

Dear Families,

Starting in November Ramsey Mpls Kids will be introducing its **Around the World** themed units. One week a month the students will be introduced to the clothing, customs, food, language and more from cultures around the world. Our first unit will focus on The Mohawk people of North America. Our central theme for the Mohawk unit is **giving thanks**.

Looking back at October, our first non-school days were successful. Please remember as we move through the year that a two week notice is required to add or drop care for students, including non-school days. Also, as fall rapidly becomes winter, please make sure that your child is **suitably dressed for cold weather**. As the temperature drops students will be **required** to wear long sleeves, hats and gloves in order to participate in outdoor activities.

Non-School Day Nov. 25th

The month of November only has one non-school day which is **Wednesday the 25th** just before our four day weekend in observance of Thanksgiving. **There will be no Mpls Kids on Thursday or Friday November 26th-27th.** We will be taking a field trip on the 25th to the **Science Museum of Minnesota**. As part of our experience the students will have general access to the museum as well as viewing an **OMNI theater film** depicting the life and habits of **humpback whales**. Students will need to bring a **disposable lunch**. We will eat at the museum when we arrive but we don't want the children to carry their lunchboxes for the duration of the day. Parents please send lunches in a disposable paper or plastic bag. Drinks within the lunch should also be disposable (juice box, plastic water bottle, etc.).

Student News

The students at Ramsey Mpls Kids will be forming a **student council**. Students will have a chance to come together once a week and discuss ideas for the program. Among many other fun projects our students will help to develop the activities for the up-coming **Family Night** and **Student Carnival**. The dates for these events will be determined soon and parents will be notified via email. If you have any questions or concerns please ask the site coordinator for more information.
