Welcome Liz!

Hello parents and families at Mpls Kids – Ramsey! I am so excited to meet all of you and be a part of the Minneapolis Kids Program! I have a background in early childhood

and have worked with children of all ages for the last 22 years. My passion lies in building meaningful connections with the children and families in my care, having fun, being silly and most importantly learning together.

I am looking forward to supporting our awesome Ramsey team and bringing my talents and experience to this program. I invite you to connect with me if you have any questions or just want to say hi!

Welcome Darry!

Darry joined our Ramsey team in March.

Darry has previous experience working with

children as a bus aid. He found Mpls kids by recommendation from a relative that also worked for Mpls Kids. You will often find Darry at the art table as he loves to draw!

Please welcome him and say hello next time you see him!
