“Minneapolis Kids School Age Care”

We provide high quality school age child care for families. We offer a safe, nurturing, educational and recreational experience where children are encouraged to pursue interests and develop friendships, independence, and confidence.
Welcome!
Welcome to our summer adventure! We tried to answer all potential questions in this handbook so keep it handy for a reference!

If you have any questions please email susan.broman@mpls.k12.mn.us or Deborah.Mohn@mpls.k12.mn.us

Field Trips
Permission Slips—Please return all completed forms to a Mpls Kids staff by the first day of summer programing Monday June, 13th.

Participation—All kids must accompany the group on Field trips, Alternative care is not available on site.

Summer School—Children in summer school will not be able to join the group on field trips if summer school is in session that day. Staff will be on site to meet the bus for kids scheduled to be with us after summer school.

Departure Time—Children must be on site by 9:30 am (unless otherwise indicated on the itinerary). This is 30 minutes prior to our departure and our group meeting time. During this time, we talk about our destination, FT expectations, divide into small groups, answer questions, apply sunscreen.

T-Shirt—All Mpls Kids participants will be provided with a summer t-shirt. These shirts MUST be worn on ALL NON-SWIMMING field trips. These colorful shirts help us track our group out in the general public. It makes life much easier for kids and staff to see each other!

Visitors—We welcome parents to join us. Please let us know in advance so we can adjust our numbers with the destination.

Lunch—Send a disposable lunch with your child. See the following page for more info.

Spending Money—Is allowed only on days with $$ listed on the calendar and description for that day. Spending money is the responsibility of your child please make sure they have a place to keep it.

Cell Phones—Children are not allowed to have cell phones at Mpls. Kids. If there are special reasons, please contact one of the Site Coordinators.

Check-In and Check-Out
We do not accept “drop-ins”. All children must be pre-registered through the Main Office. In the interest of safety, Mpls Kids will not accept legal responsibility for a child unless an authorized person electronically signs your child in. An authorized adult must also sign the child out at the end of his/her day with us. You can add authorized pick up to your account.

Swim Trips
Swim Shirts—Mpls Kids provides shirts designed for water use that ALL children need to wear on every swim trip. Swim shirts are NOT to go home. They are returned to staff after each use, washed, and given out for the next swim trip. Wearing these makes it easier for staff to track children in busy pools and help keep them safe.

Flip Flops—They are the cause of many summer injuries so they are for water use ONLY. They need to be stored in children’s bags on non-water days.
**What to Wear?!**
- Casual clothes that can get dirty
- Shoes with backs and/or straps (no flip flops)
  
  **Ok—Sandals with back strap, keens, tennis shoes**
- Mpls Kids t-shirt on non-swimming field trip days

**Behavior**
For everyone’s safety we expect children to:
- Keep hands, feet and objects to yourself
- Follow directions
- Use appropriate language
- Respect all people and property

We follow the Minneapolis Public School’s discipline policy. Parents will be notified when there are ongoing difficulties to help problem-solve their child’s behavior.

**Sunscreen**
This is most kids’ least favorite activity, however we do want to save them from sunburn. We regularly have children apply a Kids SPF 30 sunscreen to throughout the day. On outdoor field trips, we have children reapply often. If your child is unable to use our sunscreen, please provide your own with your child’s name clearly labeled on it. Please resupply often.

**Medication**
If your child is prescribed medication that must be administered during Mpls Kids hours, a physician or dentist must provide written instructions to Mpls Kids. There must also be written permission from the parent to administer the medication.

Medication must be in the original container, properly labeled with the child’s name, date, amount, and time of dosage. This procedure is also applicable to “over the counter” medication (i.e.: Tylenol).

**Late Policy**
All children must be picked up by 6pm and families must leave the building by then.

We appreciate your prompt pick up as our staff’s day also ends at 6pm and have family and obligations to attend to immediately after work.

If you know you will be late, please make arrangements for someone else to pick up your child before 6pm and please tell Mpls Kids staff as well. A late fee of $1 per minute will be assessed for picking up a child after 6pm. On the third incident, a fee of $25 will be charged. After the fifth incident services will be terminated. Thank you for respecting our time by picking up your child before 6:00 pm.

**Lunch and Snack**
A highlight of the day! Kids must bring a lunch with drink EVERY DAY. Refrigeration is NOT available for student lunches, so include an ice pack if needed. We provide a healthy afternoon snack daily.

**Bag Lunch—Field Trip**
Field trips often require a “disposable lunch”. What is it? It is a lunch in which EVERYTHING is tossed after eating, including the bag (nothing to bring home). See the itinerary for dates these lunches are needed.

We often continue with the field trip after lunch and a disposable lunch gives your child the freedom of enjoying the rest of the trip without having to remember where his/her lunchbox was last seen. Thanks!

**Handy Hint:** Pack the lunch in a plastic Target/Cub bag to prevent bag tears due to water bottle sweating. Many brown bag lunches fall apart on the bus ride to our destination. Please send a plastic spoon/fork if needed too.
Screen Time
To the dismay of many children who would prefer to be in front of a computer screen all day long, we adhere to the MAAP accreditation standard that limits a child’s total screen time to 20 minutes per day. This includes computer lab, hand-held games, and other electronic gadgets we offer on site.

This standard was created with the American Pediatric Association recommendation in mind that children should engage with entertainment media for no more than 1 to 2 hours per day. We think most parents would agree that their kids have many opportunities to fill their screen quota for the day.

No Toys from Home
Toys and items of value (including electronics of all types) should remain at home. They can be damaged or lost. Mpls Kids does not assume responsibility for any items brought from home.

Lost & Found
The box is often full of many unclaimed items. Please check the Lost & Found area often. Unclaimed items will be donated at the end of the summer.

Community Helpers
We continue our summer tradition of learning more about the community around us and giving back to others.

Events may include senior center visits, participating in a food drive, hosting a talent show, gardening, along with other opportunities.

Let us know if you hear of needs in the community that our kids could help with this summer.

Our Wonderful Staff
We are delighted to be combining staff from our great sites this summer. There will be many familiar faces along with new people to meet. Rest assured, we have the best staff in the area!

Please look for staff bios and photos near the parent sign in and out area.

Please join us in welcoming the new faces! Until everyone becomes familiar with each other, please don’t be offended if we ask for an ID when you pick up your child.

D.E.A.R.
(Drop Everything And Read)
We love to read! Summer is a great time for kids to continue their reading skills from the school year.

We slow things down as a large group and have quiet reading time for about 30 minutes every day.

We have books available for kids to choose from, but often they enjoy bringing a book or magazine from home to read or continue reading from the night before.

We strongly encourage bringing books from home. Just be sure to label it with his/her name so it returns home.

For those who like to listen to a book, there are typically a couple options. A staff member reads aloud from an ongoing chapter book for those interested. This typically takes a few days to complete. For the younger set, a staff member reads aloud shorter picture books.
We strive to include the following areas in our programming which are part of the MN Afterschool Accreditation Program standards:

**Social & Emotional Development:** Emotional • Self-Concept • Social Competence & Relationships

**Language Arts:** Language • Speaking, Viewing & Media Literacy • Reading • Writing

**Arts:** Dance • Media Arts • Music • Theatre & Dramatic Play • Visual Arts

**Math & Critical Thinking:** Numbers • Operations • Geometry • Measurement

**Science & Inquiry:** Physical Science • Earth & Space • Life Science • Engineering • Technology

**Social Studies:** History • Geography • Economics • Government & Citizenship • People & Cultures • Service Learning

**Health & Physical Education:** Exercise • Wellness • Nutrition • Fitness • Co-operative & Competitive Games

---

### On Site Days

**6:30** Quiet Room Activities

**7:30** Options

**10:00** Theme activities

**11:30—12:30** Lunch/ D.E.A.R

*Please initial boxes below if yes.

Sunscreen Permission

_____ I give permission for my child to use the sunscreen supplied by Minneapolis Kids. Minneapolis Kids uses sunscreen that is PABA-free and rated at least SPF 30 or above.

_____ I will provide sunscreen for my child and give permission for him/her to apply it.

Insect Repellent Permission

_____ I give permission for my child to have insect repellent applied to his/her skin. Minneapolis Kids supplies and uses insect repellent made for children.

Swimming in the Wading Pool Permission

_____ I give permission for my child to go swimming in local wading pools. Children will be supervised at all times by a staff member inside the pool area. Children must wear a swimsuit in order to go into the wading pool.

City Bus, Walking, light rail, and Biking Excursions Permission

_____ I give permission for my child to participate in walking, biking, and local city bus excursions under proper supervision.

Photo/Video Permission

_____ I give permission for my child to be filmed/photographed and to use my child’s photo, work or voice for promotional and educational purposes.
