February 2017

## What's Happening in February...

This month we have focused a large portion of our curriculum and activities around science experiments! We're excited to create things such as volcanoes, rockets, lava lamps and conduct a variety of hands on experiments on site!

### Family Portrait Board

We would love to continue to fill up our family portrait board with pictures of our students and their families! Please continue to bring these pictures in and we'd be happy to share them.
