Wrapping up the School Year

It's hard to believe that the end of the school year is already upon us. It has been an amazing school year with the kids! It's been so much fun getting to know all of them and you parents as well! Webster Minneapolis Kids staff want to thank you all for helping our program run as smoothly as it did all year. We couldn't have done it without all of you.

We hope to see you all either this summer or next fall for the 2017-2018 school year!

Kid Testimonies

We asked the kids what their favorite thing was about this past year and here is what they said:

- Cooking projects
- Playing with kids from different grades
- Making new friends
- The fun activities
- The teachers
- The ice-cream party
- Dodgeball
- It's a break from the regular school day
- Everything!

Staff Testimonies

Now let's hear what the staff loved most about this year:

Laura: My favorite part was being able to make Webster my permanent site. Everyone was so welcoming from my very first day, it felt like home right from the start!

Kris: I love when the kids really get into a project and are excited to learn something. It was fun teaching them the science behind making ice-cream and leading them through what makes a good comic book and watching them really get into it.

John: I love playing pin-guard with the kids and making slow motion videos!

Mj: Working with the preschool age group.

Aryn: I love that it's very organized, the fun activities we do, and getting to know kids from different age groups.
