May/June

It's hard to believe that we are on the final month of the school year! This has been such a great year here at Webster Minneapolis Kids. I could not have asked for a better group of kids for my first year working with the program. It has been exciting to see the group grow and learn.

April was a strange month with us having an unexpected snow day. Let's hope that we have seen the end of snow until next school year.

There are still a lot of winter clothes here, so be sure to check the lost and found to

see if anything belongs to your child.

There are no more non-school days at Minneapolis Kids from now until the end of the year.

Minneapolis Kids will be closed May 27th for Memorial Day and the last day of programming for the 2018-2019 school year will be on Friday, June 7th.

Summer Program for Minneapolis Kids starts on Wednesday, June 13th.

As a reminder, registration for summer and the 2019-2020 school year is now open.

Thank you and have a wonderful rest of the school year!

May Weather

We are all aware of how crazy Minnesota weather can be. Please continue bringing the appropriate outdoor clothing for your child. We will be going outside as long as it's not raining.

Many times children feel that the weather is warm enough and they don't need to

wear a jacket. We explain to them that they do not need long sleeves or a light jacket once it reaches 60 degrees. It would also be helpful if this was explained to them at home as well. Thank you!

Final week

On the final week of school, our activities will consist of kids creating their own autobiography/yearbook. Children can sign each other's book to remember this wonderful school year.
