Exciting Events from April

Last month was filled with exciting events during Minneapolis Kids! We had a root beer float/popsicle party because the kids have been doing a great job during quiet time. It's taken them about 2 months to fill up our pom-pom jars, but they did it! Please help us continue do our best job during quiet time (5:00-5:30) by encouraging the use of whisper voices during this time.

We planted flowers and herbs in March and have been watching them grow like weeds lately! If you have time, stop by Magenta Monkey room to check them out!

I want to thank everyone that helped make Staff Appreciation week a success! I hope you were able to learn fun new facts about the Webster staff and enjoyed your cookie courtesy of the Cookie Cart.
