- You will need to use the ipad to sign your children in and out. Please be sure to go into the new system and update your authorized pick-ups, if they are not in there... we will have a hard time checking your child out. If it is an emergency we can deal for the day, but if it is something that is consistent, having them authorized is important.
- Please be sure to send outdoor clothes with your child every day. In winter they will need boots, jacket, snow pants, hats, and mittens. We go out to play every day in the morning and afternoon. Please be sure to put names on the winter clothes. We will go outside as long as the temperature is above 0. Kids will need to wear what parents send unless it is above 50. If they do not have proper clothes they will need to wear ours.
- We follow the MAAP (Minnesota Association of Alternative Programs) standards and give the children a well-rounded experience each day offering many different activities.
- We are part of the school district, but are separate in the fact that if you call the school to let them know your child is absent for the day, we do not get that message, so please be sure to email me, or call the MPLS Kids number and leave a message that your child will not be there. This helps us keep track of the children and not waste too much time trying to find children that are not supposed to be there.
