## Summer around the Corner

It feels like the school year has just flown by! We only have the month of May then a week of June before our school year concludes.

The most immediate consideration is summer Minneapolis Kids. School may be done on the 7th of June, but we will keep going strong all day starting June 13th. We, and Northrop Minneapolis kids, will be spending our time at Keewaydin. We have a plethora of fun activi-

ties and field trips, so register while there is still space.

Second, for those of you not joining us over summer, is next school year Minneapolis kids. Registration has been open for some time now, but there is still space. Make sure you get in while you can!

The wading pool and playground of Keewaydin in all its glory

## The Year End Round Up

It's been a fantastic year! I just want to thank everybody, from staff to parents to students, for making this year great. I appreciate all your patience and input. I have learned a lot in my first full year as coordinator. I am certain that we will only go up from here.

In this spirit I am going to put out a reflection jar for the whole end of the year. I really want to hear your thoughts on the year as a whole.

Highlights from 2018-2019

## Accreditation News

The stakeholder team has met one more time and we have an action plan in place for our next visit. All systems look good for our validator visit, which is scheduled for early to mid May.

We'll keep you posted as things develop.

### Kids Welcome:

Before School 6:30—9:40 am

After School 4:00—6:00 pm
