## We're Back and We're Excited

It's time to settle back into the new school year! On behalf of all the staff at Whittier Minneapolis Kids, we would like to extend a warm welcome back to your family. We are really looking forward to the journey the 2015-2016 school year holds in store for us.

Along with the new year, we are excited about our new room 131. Literally on the other side of the school in the SPEN wing, (Next to the main office) 26<sup>th</sup> street side. With more space and closer access to the playground, we will be able to journey beyond the ordinary to

provide unique experiences. We are even creating age specific areas K-2, and 3-5<sup>th</sup> grades throughout the room. These areas are to support age appropriate socialization and experiences.

Not only are their specified activities designed for individual age groups, but there is also a kids choice day where children are given the opportunity to plan and carry out an activity for their peers (With adult supervision of course).

## Please Call Us! 612-668-4179

We are grateful for parents who let us know when their child will not be attending Minneapolis Kids on a day they are regularly scheduled. Even though you might call the absence in to the school main office, it is critical that you also call and notify Minneapolis Kids. We are very concerned when we expect a child to arrive after school and after

Community Ed. classes and are unable to locate them. As a result, it takes adult time and attention away from the Minneapolis Kids room while staff is searching the school, making phone calls, and interrupts important transition times. Please call us direct in the room, at **612-668-4179** much for your help!
